

The Register of Exercise Professionals UK

Insurance Information

Introduction and Requirements

Members of the Register above student level are required to hold adequate liability insurance which covers your legal liability for death, injury or illness to others and loss of, or damage to, third party property, if you are employed this may be provided by your employer, otherwise you need to arrange adequate cover. You need to confirm that you have insurance when you first register and then at each annual re-registration.

Please find below a brief summary of the main covers offered by The REPs Insurance Scheme, for full terms and conditions of cover please refer to the policy booklet.

The REPs Insurance Scheme is on a civil liability basis and offers the option of a limit of either £5million or £10million cover. The REPs civil liability insurance will cover you for:

- Public liability
- Professional indemnity
- Products liability
- Libel and slander
- Legal Defence Costs

The basis of cover for civil liability under The REPs Insurance Scheme will be provided on a 'claims occurring' basis. This means that any claims that arise from incidents that occur during the period of insurance will be covered. This is irrespective of whether the policy is in force at the time the claim is reported. Therefore you can have peace of mind and insurance that you can trust to cover you if a claim is made.

Cover also includes:

Personal Accident Cover - including	Cover
Death	£50,000
Loss of eye(s) or limbs	£50,000

Claims Reporting

If you are aware of any incidents that have, or are likely to give rise to a claim in the future, you must report these to your existing Insurers prior to lapsing your current policy.

Policy Restrictions

Your new policy provides retrospective cover for any incident that you are not aware of which occurred during the three year period immediately prior to inception. If you are aware of any incident this must be reported to your existing Insurers prior to the lapsing of that policy - see **Claims Reporting** above. The civil liabilities cover is operative while you are acting in the course of your vocation as an exercise professional not for your activities outside of that area. It does not provide for employers liability or for liability arising from the ownership possession or use of a mechanically propelled vehicle which would require compulsory insurance or security by law.

For full details of restrictions in policy cover please refer to the policy booklet.

Conditions

Cover for liability insurance and personal accident will only be effective from the date of registration or re-registration and must run in line with your registration. You can re-register and obtain insurance through the members' area of our Website.

Liability insurance provides cover for your level and categories of registration (status of registration). The REPs Code of Ethical Practice requires members to: "Confine themselves to practise those activities for which their training and competence is recognised by the Register."

This liability insurance is for individual members of the Register and if you are operating a business with a trading name that has an annual turnover of more than £50,000 or you are employing or utilising the services of any other person within your business, then these policies are not sufficient therefore please refer to Jardine Lloyd Thompson Leisure for an individual quote.

The name appearing on the certificate of insurance will be the holder and member of the Register. Company or trading names will not be used. Insurance is for UK residents (that is, you have a UK home address). It is not suitable for cover outside of the UK for any period longer than 6 months.
